### **Mitchell Telecom Adds Sales Representative**

Mitchell Telecom recently hired Brice Kattner as a Sales Representative focusing on residential sales and service for the company. Kattner, a Wolsey, SD native, comes to Mitchell Telecom from Iverson Chrysler Center where he was the Business Manager. Kattner calls Mitchell home with his wife, Stephanie and daughters Gracie and Maggie. He can be reached by visiting the company's local office at 1801 N Main St or by calling 990-1000.

Mitchell Telecom completed construction of a state-of-the-art communications network to provide high-speed Internet, digital cable television and telephone services throughout the city of Mitchell in 2006. Mitchell Telecom is a wholly owned subsidiary of Santel Communications, a cooperative that has been providing communication services to its member owners in southeast South Dakota for over 50 years.
